ORGAN® NEEDLES

DBx1; 16x231, 16x257, 1738, SY2254, SY2270

These are among the most popularly used needles for most industrial straight stitch and other sewing machines.

(Note: Shank diameter becomes heavier for sizes #19/120 and higher. Use 16x95 to maintain thin shank diameter for sizes #19/120 and higher).

ORGAN offers an extensive variety of sizes, point styles, finishes, and features for every sewing application.
